The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Cash Corporate Center Sewer Interceptor project in fiscal year 2024. The entity to receive funding for this project is the Town of Apex located at Apex Town Hall, 73 Hunter Street, PO Box 250, Apex, North Carolina, 27502. The funding would be used for construction of a gravity sewer. The project is an appropriate use of taxpayer funds because it will allow businesses located in the area served by the proposed sewer upgrades to abandon costly and maintenance-intensive pump stations by connecting to the proposed gravity sewer. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross
Member of Congress
