Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Grid to Plug to Wheels: Technician Training for Safe and Efficient Electric Vehicle Power Utilization and Maintenance. The entity to receive funding for this project is Wake Technical Community College, located at 9101 Fayetteville Road, Raleigh, NC 27603. The funding would be used acquiring training equipment and supplies and supporting faculty professional development to ensure training is up to date with emerging technology. I certify that neither I nor my immediate family has any financial interest in this project.

Very truly yours,
