Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Pleasant Grove Community Center project in fiscal year 2023. The entity to receive funding for this project is the Town of Wendell, located at 15 E. Fourth Street, Wendell, North Carolina, 27591. The funding would be used for community engagement, project design, and construction to renovate the historic Carver Elementary School in order to provide critical services and programs needed in this area to serve a historically marginalized region that needs socioeconomic and family resources to foster upward mobility and inclusion in the community. I certify that neither I nor my immediate family has any financial interest in this project.

Very truly yours

Deborah K. Ross
Member of Congress
