The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Walnut Creek Stormwater Management project in fiscal year 2024. The entity to receive funding for this project is the Town of Cary located at PO Box 8005, Cary, NC, 27512. The funding would be used for acquisition of land parcels and an evaluation and design of potential green stormwater practices, such as revegetation and stream bank restoration, in an area where structures are regularly flooded. The project is an appropriate use of taxpayer funds because it will provide environmental and economic benefits and protect against the harmful impacts of stormwater runoff. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross
Member of Congress
