Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Making Computer Science STICK. The entity to receive funding for this project is North Carolina State University located at 1A Holladay Hall, 20 Watauga Club Dr., Raleigh, NC 27605. The funding would be used to create a professional development program to bring about systemic change for teachers to individualize implementation of computer science in elementary schools. I certify that neither I nor my immediate family has any financial interest in this project.

Very truly yours,

Deborah K. Ross
