The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Regional Water Treatment Expansion Project. The entity to receive the funding for this project is the City of Sanford, located at 225 E. Weatherspoon St., Sanford, NC 27330. The funding would be used to pay for design and construction of one of two horizontal directional drills (HDD) under the Cape Fear River from the City of Sanford's Water Treatment Plant (WTP) to provide a safe and resilient source of potable water for local government partners that include Chatham County, Pittsboro, Holly Springs, and Fuquay-Varina. I certify that neither I nor my immediate family has any financial interest in this project.

Very truly yours,

Deborah K. Ross
Member of Congress
