The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Grosvenor Gardens Apartments Rehabilitation project in fiscal year 2024. The entity to receive funding for this project is CASA, located at 624 W Jones Street, Raleigh, NC 27603. The funding would be used to rehabilitate a historic and affordable apartment community to prevent the displacement of the 62 households that call it home. This project is a valuable use of taxpayer funds because it will preserve affordable housing for Wake County residents in a highly walkable, transit-oriented area with great economic and educational opportunities, in a region where housing costs are skyrocketing.

The project has a Federal nexus because the funding provided is for purposes authorized by section 5305(a)(2) of title 42, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross  
Member of Congress
