The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Rolesville Main Street Park Improvements and Enhancements project in fiscal year 2024. The entity to receive funding for this project is the Town of Rolesville, located at 502 Southtown Circle, Rolesville, NC 27571. The funding would be used to make critical repairs to infrastructure, improve equipment and facilities to adhere to new and emerging accessibility standards, install broadband, and make enhancements that address safety and maximize connectivity along Main Street in Rolesville. The project is an appropriate use of taxpayer funds because it will benefit residents, workers, and visitors—ensuring that all have access to high-quality, safe, and connected facilities in downtown Rolesville in a rapidly-growing area.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross
Member of Congress
