Chairman

U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for The Carr Center project in fiscal year 2027. The entity to receive funding for this project is the Town of Cary, located at 316 N. Academy Street, Cary, North Carolina 27513. The funding would be used for a mixed-use community that will meet the growing need for workforce housing, affordable childcare, and services for low-income families who are on the brink of or experiencing homelessness. This project is a valuable use of taxpayer funds because it will help families move from housing crisis to lasting stability and remain active in the regional workforce.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross
Member of Congress
