The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Wendell North Public Safety Station project in fiscal year 2025. The entity to receive funding for this project is Wake County, located at the Wake County Justice Center, Suite 4800, P.O. Box 1897. The funding would be used to construct a new EMS station North of the Town of Wendell in Eastern Wake County. This project is a valuable use of taxpayer funds because this new, larger station better positions ambulances and paramedics at a location to respond quickly to the urbanizing areas around Wendell, and into the Town itself.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross  
Member of Congress
