The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Triangle Mobility Hub project in fiscal year 2025. The entity to receive funding for this project is the Research Triangle Regional Public Transportation Authority (GoTriangle), located at 4600 Emperor Blvd., Durham, North Carolina, 27703. The funding would be used to construct a new intermodal transit center in the Research Triangle Park in North Carolina. This project is a valuable use of taxpayer funds because it will increase transit service frequency, modal choice, and reliability and will also encourage modal shift, taking more cars off the road in congested areas and reducing emissions.

The project has a Federal nexus because the funding provided is for purposes authorized by section 5302(4) of title 49, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross
Member of Congress
