The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jones Sausage Road Safety and Capacity Improvements project in fiscal year 2027. The entity to receive funding for this project is the Town of Garner, located at 900 Seventh Avenue, Garner, North Carolina 27529. The funding would be used for safety and capacity improvements to Jones Sausage Road and its intersection with East Garner Road, a key east-west corridor in the area. This project is a valuable use of taxpayer funds because it will improve safety, alleviate traffic congestion in a growing commercial and residential area, and expand access to development opportunities and support connectivity across Garner's road network.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Deborah K. Ross
Member of Congress
